

# ALPHABET Reading *challenge*

Name: \_\_\_\_\_

## How It Works:

- Each book's first meaningful word in the title must start with a different letter (A–Z). Articles like A, An, The don't count. Example: The Night Circus = N
- DNFs do not count - have to read the whole book!
- All genres, formats, and reading levels are welcome. Physical books, audiobooks, ebooks, it's your choice. Children's, teen, adult, everything counts.
- Authors may **not** be repeated. Rereads do not count.
- The challenge runs on the honor system.
- Substitute a bonus square for a Hard Mode letter!
